Bio: Dr. John Tomblin oversees 18 NIAR labs encompassing 1.6 million square feet, 1,000 team members, six locations and a budget of nearly \$200 million. His leadership has helped NIAR achieve worldwide prominence in composites and advanced materials, triple its annual funding, and expand both its capabilities and its footprint. NIAR stands out as the nation’s largest academic aviation research and development institution.

Tickets: Deadline: **5 PM Thursday, February 17, 2022** Three ways to purchase:
